

STaR Association

STaR Strategic Plan 2017–2020

OUR VISION

With the right support, all children can learn together

OUR MISSION

To achieve ACCESS, OPPORTUNITY and ACCEPTANCE for all children

OUR VALUES

Respect, Integrity, Social Justice, Empathy

STRATEGIC GOALS

Effective learning for children with additional needs, their families, their educators and the wider community

1. Be industry leaders in research-based early special education
2. Be advocates for family-centred practice

STRATEGIC PILLARS

Educating Educators

Providing quality research-based training and mentoring

- Distribute a robust training calendar.
- Develop more courses, register them with NESA and deliver the training.
- Increase business – number of participants and income revenue.
- Recruit STaR Education Manager and course facilitators.
- Collaborate with the NSW Department of Education.

Supporting Children and Families

Building resilience through supportive networks

- Deliver support to 10 centres (with a focus that these 'pilot' centres become 'centres of excellence').
- Establish Family Support program and develop family support model.
- Deliver family courses/training.
- Establish NDIS service.

Informing Communities

Providing information about best practice to a range of audiences

- Ensure consistent branding across all aspects of STaR.
- Increase social media engagement / STaR profile.
- Deliver conference presentations.
- Develop a research project – STaR owned.
- Sponsor InSpEd – support partner.
